ABOUT:

The 2500 Pro series from Elevas delivers powerful performance, combining strong load capacity with excellent manoeuvrability, and is the king of run-time with its huge battery capacity. This makes the 2500 PRO Tracked carrier the ideal choice for moving heavy goods over long distances for repetitive tasks. All PRO models are designed to be as low as possible for excellent stability, and come with enhanced features including gradient monitoring, remote information feedback, and a smart auxiliary output, allowing control of powered accessories and increasing safety in critical situations.
